

U.S.SAWS™

U.S.SAWS Aluminum Heavy Duty Collapsible Dolly

The U.S.SAWS Aluminium Heavy Duty Collapsible Dolly Manhole Lifter is a versatile tool with the power to get the heavy lifting while avoiding back injuries associated with lifting manhole covers.

Recommended for covers up to 300 - 600 lbs

Kit Includes: Aluminium Heavy Duty Collapsible Dolly, 8" Hard Wheels & Heavy Duty or Supreme Duty Magnet

Features:

- Dollies are collapsible for storage & transportation
- Dual-position lifting points to provide the power to break loose the most stubborn maintenance hole covers
- Eliminates the use of pry bars
- Moves utility hole covers up to 36 inches in diameter
- Uses rare neodymium magnets that won't wear out
- Reduces common injuries
