

U.S.SAWS™

U.S.SAWS Utility 4 Magnet Robotron

Utility 4 Magnet Robotron
Extendable Handle
*Comes standard with 6" foot

U.S.SAWS Utility 4 Magnet Robotron magnetic manhole lifter that lifts larger diameter and more heavier manhole covers with ease. The U.S.SAWS Utility 4 Magnet Robotron features an extendable handle allowing for a further reach. Our Magnetic Lifting Systems are versatile tools with the power to get the heavy lifting done while avoiding back injuries associated with lifting manhole covers.

*Up to 325 lbs Magnetic Manhole Lifting Capacity

EASY TO OPERATE

- Step 1: Place magnet on edge of manhole lid
- Step 2: Push down on handle to "break" seal
- Step 3: Pull towards you to remove lid
- Step 4: Push forward to remove magnet

Features:

- Uses rare neodymium magnets that won't wear out
- Lifting capacity of 325 lbs
- Impact protection guards around the magnets
- Affordable, durable, and portable
- Storage base protects magnets during transportation
