CORE PRO 4 HAND-HELD CORE DRILL

The Core Pro 4 hand-held core drill is a fast, accurate, and efficient solution for drilling clean, precise holes in concrete and a variety of other materials. Designed with performance and ease of use in mind, the Core Pro 4 allows users to quickly drill holes ranging from 1" to 4" in diameter. This versatile tool is ideal for coring through tough materials such as concrete, brick, and stone, making it a reliable choice for the professional contractor.

Features:

- Lightweight and portable
- Mechanical clutch protection
- Constant power, step-less speed regulation
- Safety clutch and overload protection
- Drill holes 1" to 4" with the hand-held unit
